Submission of Abstracts: Instructions for Authors

Before uploading your abstract, please review these instructions for authors. When you are done, submit using the online abstract submission form at <http://www.afshg.org>.

1. The abstract must be prepared as a Microsoft Word document and submitted electronically
2. Faxed abstracts will NOT be accepted.
3. Please use Arial, font size 11 and full justification where possible. Type abstract single spaced. Standard abbreviations may be used.
4. The entire abstract should not be more than 300 words. It must include the title, author(s), institution, and email address of the corresponding author.
5. Type as follows: Title in CAPITAL LETTERS; Presenting author's name (underlined), other authors' names, followed by the name of the institution, city, country and email address of the corresponding author.
6. State the background to the study, the methods used, summarize the results obtained and state conclusions reached.
7. If accepted the abstracts will be printed as received, editing is the responsibility of the author. You will be notified via email regarding abstract acceptance by May 01, 2006.

Note: Both poster and oral presentations will be accepted. Because of restricted program time, only a limited number of oral presentations will be possible.

8. If you are satisfied that you have checked all the above points, then you should submit your abstract using the online submission page. If you cannot do this, then email either:
